April 2022

Chief Councillor Robert Dennis Report

Responsibilities	
1) Representing government in relations with other governments.	• Continue to work with Rob Botterell representing Huuayaht at the provincial level to advance Project Green. Excellent progress there. We continue to have an excellent partnership and working relationship with BC. It is my priority to maintain this. BC has come forward to help Huuayaht with the road, Mother Center, forestry issues, etc. We believe that we need more First Nation on board. Getting more First Nations on board is our focus. • Provincial Ministries and their ADM's have been briefed and three Ministers have been briefed. • I am very optimistic we'll get a meeting with the Premier in June. • Working with External Affairs to advance key HFN federal issues such as Me Too, Crab License and FFA. • Road Project a go.
2) Representing government in relations with other indigenous organizations.	• I have a concern that local and provincial indigenous organizations are not fully supporting us with HFN related issues. Moving forward I'll start to attend NTC, FNS, UBCIC, BCAFN and AFN meetings to ensure HFN issues are supported. I'll attend MFN Directors Meeting to support Treaty Implementation portfolio holder.
3) Ensuring HFN citizens are fully informed on HFN issues.	• My main objective is to ensure citizens are seen, are heard, and made to feel part of. We achieve this through community engagement session and holding People's assembly. I also continue to maintain an open-door policy to my office to ensure citizens are informed on HFN issues.

	• I'll ask Connie to establish community engagement sessions schedule for this fiscal. She will consult with all Executive Council members to ensure each Executive Council member inputs so individual portfolio issues are heard or presented.
4) Developing and maintaining effective systems of communication with Huuayaht citizens and other governments.	• I meet regularly with Executive Director to ensure we maintain effective systems of communication with Huuayaht and other government. a) Project Green. b) Capital Raise. c) Old Growth Summit d) Parks Minister visit and Kiixin sign ceremony. e) Uyaqhmis and Anacla newsletters f) Me Too Fishery Issue g) Bamfield Road
5) Protecting and enhancing Huuayaht aboriginal and treaty rights.	• Treaty implementation Committee is HFN's avenue to ensure we are protecting and enhancing HFN aboriginal and treaty rights. This continues to be my main focus. • Fishery and Forestry Enhancement and Renewal continue to be a major part of our program to protect and enhance HFN aboriginal treaty rights. We have government, industry and First Nations working together. • Ensuring implementation of Huuayaht Forestry Guiding principles of Sustainability is a way of protecting and enhancing HFN aboriginal and treaty rights. a) Ongoing funding for fishery renewal in 2022. b) Pursuing HFN rights to sell fish. c) Access to deer and elk and marine resources. d) Forestry enhancement for future generations. e) Sustainable forest management operations.

6) Ensuring adherence to, and enforcement of, The constitution, Huuayaht legislation, Huuayaht policies	• This is something that Connie, Executive Council and I ensure adherence to, and enforcement of the constitution, Huuayaht legislation, Huu-ay-aht policies. This is a daily duty. • Executive Council members giving Direction to staff and contractors seems to be a very serious concern. I remind all Executive Council members that Code of Conduct and conflict of Interest Act 11.1 is "Unless authorized by legislation, government members **MUST NOT** give direction or instruction to government employees or contractors, by name or position, **without the prior approval of the Executive Director.** Executive Director will monitor this issue for Executive Council. Section 11.2 reads that Government members who contravene this section may be disqualified from holding their position.
7) Promoting and maintaining a sound Huuayaht economy.	• Sustainable long-term employment for our citizens is an essential contribution to a sound economy. I've mandated the Economic Development Committee chair to focus on capacity development and training to increase the number of Huuayaht citizens working for the nation and our businesses. • Strong and effective governance structure is paramount to a sound Huuayaht economy. • I'm comfortable that our HGB governance structure is adequate but needs tweaking to eliminate red tape. The issue is referred to Law and Policy Committee. • Sustaining our level of revenue generation is vital to maintaining a sound Huuayaht economy. With this in mind, I ask all our portfolio holders to set a goal to increase their portfolio revenues.
8) Promoting Huuayaht values, culture, traditions, and language.	• It is very clear that promoting values, culture, tradition, and language are key priorities for Hawiih Council. Council Edward Johnson has

	been given mandate instruction to work with the Hawiih Council to meet these key priorities for the 2022 fiscal year. • It continues to be our goal to have Huuayaht Days, participate in Canoe Journeys, Huuayaht Spirituality.
9) Ensuring proper management and administration of government.	• I continue to have regular morning calls with Connie to ensure proper management and administration of government. We do our best to follow up on issues raised in these telephone calls. • In addition, I work with Jen to ensure oversight of portfolios. We'll have our first report in June to see how that is working. We've had a) Compliance issues b) HR issues c) Communication tasks d) Special functions and events e) Nations' financial position.
10) Preparing for and participating in the Legislation, Executive Council and People's Assembly;	• Will begin preparation for 2022 People's Assembly. • I will be taking the Law and Policy portfolio and will work with Connie and legal counsel to compile legislative issues at the Law and Policy level. Open door policy to review current policies and regulations. So far, social housing policy related to rent and applications have been brought to my attention for review and consideration.
11) Establishing the duties of a Councillor, including i. Establishing or dissolving portfolios, and ii. Assigning portfolios to r removing portfolios from Councilors;	• I continue to have regular morning calls with Connie to address any portfolio concerns brought to her attention. • I reassigned portfolios. • John will have Finance Committee Chair, ACRD, External Affairs. • Edward will have Citizenship Committee, Citizen Development and Services. • Brad will have Infrastructure and Housing, Treaty and Implementation, Land and Zoning.

	Brad has priority instructions to review 2 issues related to Housing Policy. • Duane will have Economic Development Committee, Forestry and Fisheries. • Hawiih Councilor will chair HFN Hawiih council, NTC Hawiih Council and Hahoulthee Committee. • Robert will have Project Green, Law and Policy, Specific Claims.
12) Acting as the public spokesperson for the Legislature, Executive Council, and People's Assembly.	• Old Growth Summit • C`aawakqin • Hashilthsa • 2022 budget piece • Project Green as directed by Executive Council.
13) Carrying out additional roles, responsibilities, powers, duties and functions set out in Huuayaht legislation and policy.	**Project Green** – made very good progress on getting conglomerate of First Nations to agree to meet the Premier regarding Project Green. To date we have 14 First Nations agreed, another 7 are positive and may sign the MOU. Working on another 4 potential meetings. We've agreed that we will not meet with 2 First Nations who have issues with Project Green proponent. Meeting with the Premier is tentatively set for early June. **Law and Policy**, Connie and I will establish regular monthly meeting dates to review and consider potential law and policy issues. Will work with Connie to ensure proper procedures. **Specific Claims –** we are considering a review of the final report for the Bamfield Specific Claim. Will review and consider final report in the next few weeks and present to Executive Council for review and consideration.

Emerging Issues:

No emerging issues at this time, subject to change.

huu ay aht

ANCIENT SPIRIT, MODERN MIND

Brad Johnson, Elected Council

April 20-May 20

Portfolio:

- Housing and Infrastructure
- Treaty Implementation
- Lands and Zoning

Housing and Infrastructure

Overview:

- Bamfield Road contract was Awarded to Hazelwood
- Attended weekly Bamfield Road meetings.
- All Houses are filled with new tenants and rental agreements.
- Kiixin erosion of the shore
- Meetings with Jim and Charlie about what this year may look like for new housing
- Infrastructure priority list was created for finance
- Citizen concerns with Housing matters-I addressed all concerns

Progress on Key Initiatives:

- 2 new trucks were purchased
- The nation took possession of a house from a citizen that was condemned, the nation took the house down and cleaned up the land. I'm happy to see this taken down because it was becoming a hazard in lower Anacla
- The Bamfield road has trees that need to be removed, this work has started.
- Gates have been installed on the stockpile areas for the gravel
- Gravel is being trucked 7 days a week
- All new houses in upper Anacla had their wood stoves installed and cement poured for there front and back steps.
- Some renovations have been made on units that became vacant.
- Culture center blueprints have been drawn, discussed with Charlie that it didn't have the right look or feel so adjustments will be made.
- West coast trail cabin, the plan has been to replace the current cabin with Parks Canada they are providing the funding for this project. Also discussed with Charlie what it should look like.

Emerging Issues:

- Our lawyers took way to long to get this contract complete, costing us valuable time on the road work.

- Seal coat had no bidders this year, I believe we also took to long to get these contracts out for tenders as everyone is busy for this year now.
- BC housing plans were rejected as some info was not provided it was re submitted.
- We have some citizens who are causing damage to rental units, this was addressed, and they are no longer on the rental list (for now)
- Kiixin needs to be addressed on how to help stop the erosion of the shoreline.
- Infrastructure manager of operations has resigned we will need to fill that vacant position

---

Treaty Implementation:

Overview:

- Land Resources Treaty Management Fisheries Fiscal meetings
- Alliance tech teams meeting
- Alliance Governance advisory project meetings- How to make the Alliance more attractive for new nations to join Modern Treaty Nations working group
- Alliance Co Develop special committee on reforming the Policing Act
- Maa-Nulth Board of directors meeting- These meetings happen once a month
- HFN/Ma-Nulth MeToo meetings
- West Coast Trail leadership meeting- 3 nations met to discuss the opening of the WCT
- Maa-Nulth special sub committee meeting – Discussed Fraser River Sockeye
- Maa-Nulth – Coast Marine Strategy Meeting-Discussed how to make this happen all across BC
- Maa-Nulth First Nations Police Service Legislation Meeting- Discussed Indigenous Policing
- Maa-Nulth Salmon subcommittee- Discussed Maa-Nulth Barcley Salmon and allowable catch quota.
- Maa-Nulth Enforcement Advisory-Service Enforcement Agreement discussion on the RCMP
- Alliance Declaration Act meetings
- Alliance Emergency Management Planning with Modern Treaty Nations
- SGIG -fiscal caucus meetings several times a month
- SGIG- Infrastructurecall with Canada- Discussed funding
- Cooperative Management Board- Discussed Kiixin/Cape Beal Headlands/WCT opening
- DFO Pacific Engagement workshop on shoreline stabilization
- CMB with Parks Canada Delegations visit with Innu nation- HFN hosted the Innu and neighbouring nations in a delegations visit for the Innu from Labrador. I along with Chief Robert Dennis gave a presentation on our Cooperative Management Board that we have with Parks Canada and explained our relationship and how we got there. Overall, it was a great day, the Innu were impressed with what information we had to share. We were able to give them a tourn of Anacla Government Office, the house of Huu-ay-aht and Kiixin.

huu ay aht

ANCIENT SPIRIT, MODERN MIND

Progress on Key Initiatives:

- The Alliance has a meeting with the premier May 24th to discuss the shared priorities framework
- Date is set for our first Treaty Implementation Committee meeting/ we had to postpone due to office closer
- MeToo is starting to gain traction a lot more discussion is happing internally

---

Lands and Zoning

- The 9 lots that are set aside for citizens to build in upper Anacla have been identified and the land title survey have been done and its in with legal on the final steps.
- Reviewed land use plan with Jim to identify areas where citizens would like to live on our TSL
- Discussed with Charlie that id like to see new development on our lands spaced out more and not so crowed in to one area. We both agree that bigger lots are needed for more of a front and back yard on our lands.

Other things I have been working on outside of my Portfolio:

Attended Biodiversity Value of cedar meeting –(HIRMP) identifying big trees and how to protect them and also have the ability to use them at our needs for culture purpose.

Development Capital Raise- Attended many meetings about potential Investors partnering with the nation. I have been added to a Parks Canada/ HFN Taskforce working group for the Cape Beal Headlands. There are 4 working groups, I am on the Land Transfer and Trail upgrade in the Cape Beal headlands working groups. I have spent many days working with this group, we plan to have a project plan in place by September 1st. Each working group will be meeting a few times a month.

Personal committee
This working group I am apart of has met several times this past month.

Old Growth Summit
Many meetings and planning went in to making this day run smoothy. It was a great success.

Maa-Nulth Fisheries
I have attended many meetings about Salmon and catch allocations, I feel these meeting are more directed to the fisheries portfolio holder. The Coastal Marine strategy would also follow under the same category.

Overall, another very productive month and I am happy to serve our nation as a council member.

huu ay aht

ANCIENT SPIRIT, MODERN MIND

Councillor ƛicitaṯ Edward R. Johnson April 2022 Progress Report

Area of Responsibility:
Citizen Development committee/Community Health
Citizenship Committee
Culture and Language

Progress on Achieving Key Initiatives **Citizen Development**

- New dates for Citizen Development committee have been selected to meet the third Thursday of every month meaning we're going back to monthly meetings, last year was bi-monthly
- The in-person NTC Scholarship Awards event will take place on Friday, June 10th and the in-person Graduation Ceremony will take place on Saturday, June 11th. Both events will be held at Alberni District Secondary School.
- Attended Engaging on CFCSA amendments to uplift jurisdiction
- Attended K-12 working group meeting looking to host engagement session with parents working on questionnaire
- Attended Bamfield Community School directors meeting to review Coordinator position.
- Internal Team Meeting with BC/ coordination table Nations re: CFCSA reforms April 1 talked about the KL/HFN protocol meeting & next steps gave Oomiqsuu update and prep for April 13 EC meeting
- Attended FNHA Virtual Toxic Drug Supply Town Hall Event
- Attended 3 day Vancouver Island Spring Caucus on day 2 - putting a motion forward for all three families on the island (Nuu-chah-nulth, Coast Salish and Kwakwaka'wakw) to adopt the Nuu-chah-nulth motion from March. The motion was successful. **Motion*:*** *For the Vancouver Island Region Caucus to declare a public health emergency to address the opioid crisis and to call on the Provincial and Federal Governments to act urgently, in consultation with First Nations, to support our people impacted. The Vancouver Island Region Caucus calls on FNHA to advocate for a 7 day a week Rapid Access Addiction Clinic, full medical Detox and a stabilization center in Vancouver Island Region to address the needs of our people impacted by substance abuse/mis-use*.
- Talks with UVic about student job at BMSC and Environmental Law Field Course. Connected UVic with our Executive Director to work out the logistics for working on HFN projects and participate or assist with the field course
- K-12 Group - this group was put together late last year to focus on securing a commitment from SD70 to provide K-12 curriculum at our Bamfield Community School that is currently K-8. There has been some good news being talked about re-establishing a K-12 curriculum in our community this is very positive news to know that there is movement happening on the inside. Externally I have met with Deputy Minister of Education Christina Zacharuk B.C. Cabinet at the First Nations Leaders' Gathering, MLA Josie Osborne, Ha'wiih and Superintendent of SD70 Greg Smyth. The likelihood of having K-12 for next year is looking very good thanks to our Education and Employment Manager.

- Setting up meeting with NIC to have a conversation around possibilities for dual credits at our BCS for next month.

Emerging Issues
N/A

Progress on Achieving Key Initiatives **Citizenship Committee**

- Citizenship meeting will be the first Thursday of every month.

Progress on Achieving Key Initiatives **Culture and Language**

- Pre-meeting with First Nations Education Foundation and Director of Child and Family Wellness to talk about language workshop. Last month we were notified by the National Indian brotherhood trust that we were successful candidates in receiving funds equaling 200,000 to initiate a language workshop funds.
- I've been asked by Associate Professor at the Faculty of Law and School of Environmental Studies if I would like to be involved and share our approach to land based learning.
- Set up meeting with CLH Coordination Support for Self-Governing Indigenous Govts in Collaborative Fiscal Policy Process. The meeting was in regards to language methodology, expenditure needs for language nest, k-12, mentor apprentice, adult learning
- Attended Tommy Happynook's Defense for the Degree of Doctor of Philosophy "wałšiʔałin ʔuuʔaałuk+i ḥaḥuułi: Coming home to take care of the territory: a project of (re)connecting with traditional lands, waters, knowledge, and identity" here is the full thesis link https://dspace.library.uvic.ca/handle/1828/13906
- Attended CLH Call with Canada
- CN SAR Welcome to Huu-ay-aht
- Attended Ha'wiih Council meeting to talk about names for streets for upper Anacla and citizen motion for PA in Dec Cultural Support

huu ay aht

ANCIENT SPIRIT, MODERN MIND

- Attended Repatriation of Treasures meeting with RBCM lining up a visit to the museum in May to measure treasures to view and measure the items listed in priority order with a view that they will or could be repatriated and included in exhibits at the HFN Cultural Centre in the priority order listed.
    1. Priority 1 - treasures that are listed in the Maa-nulth Treaty for repatriation to HFN, for repatriation to the HFN Cultural Centre being constructed
    2. Priority 2 - treasures that are listed in the Maa-nulth Treaty, to be repatriated at a later date
    3. Priority 3 - treasures that were in the RBCM collections as of 1999, but which were not listed in the Maa-nulth Treaty as they could not be located in the collections - to be repatriated at a later date, if and when located
    4. Priority 4 - treasures acquired by the RBCM post 1950, not on Maa-nulth Treaty lists. HFN would like these treasures to be repatriated subject to future discussions with the RBCM

Huu-ay-aht First Nations
Council Report for John Alan Jack

January to April 2022

Note to Reader:

The past few months have been affected by the complaints levied against both Councillor Trevor Cootes and Tayii Ha'wilth Derek Peters (I don't have the NCN font installed). Regardless of the outcome of these complaints, the news has deeply affected staff and our citizens, particularly our women, girls and feminine presenting folks. As a result, there has been a lot of conversations about the culture of our Nation, especially the rape culture that pervades its power structures and the general and deep misogyny that exists at all levels and in all areas of our Nation.

Not long ago, we agreed as a Council to take a public stand against violence in our community – this situation is what that meant. In the time since my last report, we have met and acted to ensure that we preserve the honour of this Council, and it was met with denial and resistance. We need to ensure that we take the appropriate steps to ensure that when these sorts of legitimate complaints arise, we have laws in place that automatically place the respondent on leave without portfolios and direction to not attend meetings or public events. In addition, we need to ensure that these things are not the decision of any one individual and rather a matter of law that happens automatically when Tribunal issues pass the prima facie check.

It's very likely that regulatory and legislative change will need to result from this process, and in addition, we need to contemplate more acute checks on the personal authority of all members of our government and ensure that decisions are taken in the light of day and are subject to scrutiny. The problem is how we use the tools of power, and rather than take them away, we should restrict how many of these tools should be used and ensure that it's done according to our values and the points espoused in section 10 of our Government Act.

As a father of two girls, and the grandson of a man who took his family out of the community for reasons very much like the ones we're dealing with now, I find it hard to move forward as a leader advertising the strengths and opportunities of Huu-ay-aht from an economic, commercial and political perspective when we have so many troubling cultural and social problems in our community, our organization and within our very leadership circle. Our community MUST be safe in all ways, and even the perception of abuse of power and misogyny masquerading as traditional values must be rebuffed and rejected in its entirety. We are competing with a society in BC and Canada that has built places that are safer and more-inclusive than we are currently, and that stings. We need to take real steps to ensure that our children grow up in a safe, healthy, and inclusive community where all our people are treated with respect and support. As far as I'm concerned, right now and going back at least fifty years, that's simply not the case.

Finance – Progress Report

Finance Committee Meeting Dates were as follow:

- January 20th, 2022
- February 17th, 2022
- March 17th, 2022
- April 21st, 2022

Legislature was held on March 22nd and March 30th to deliberate upon and ultimately pass the Budget Act for this fiscal year. The Budget was completed in good time, and didn't have any procedural hiccups in between readings of the Legislature. There was plan to potentially update the Budget Act in midyear, but as of this report, that doesn't look like it's necessary fortunately.

Finance – Emerging Issues

The only emerging issues at the moment are having to do with the (1) organizational and human resources regulation review, but work continues at a reasonable pace given everything else that's been going on; and (2) preparation for the audit and determining how HFN audit practices will and should affect our various Huu-ay-aht bodies like HGB, Huumiis Ventures LP, HFN Forestry Consulting Services LP, and even Tsawak-qin Forestry (TFL 44) LP.

Alberni-Clayoquot Regional District – Progress Report

The ACRD has held two Board Meetings per month like clockwork, and the agendas and notes and video recordings of those meetings can be had at www.acrd.bc.ca in addition to Committees of the Whole and regional committee meetings. We have concluded our budgeting process, and have mostly been focusing on working on items such as 3 Stream Solid Waste (reducing garbage, introducing organics pickup, and increasing recycling), working on the Bamfield Waste Water with HFN and BMSC, and forwarding inclusive governance in pushing the Province to change its laws to include non-treaty FNs in Regional Districts at a full vote.

I have since attending two conferences: (1) the Association of Vancouver Island and Coastal Communities, where I participated in a panel and moderated a discussion, and (2) the Local Government Leadership Academy, where I moderated a panel and met with the new Minister of Local Government. These events take some time, but it seems as though both my notoriety and the reputation of the ACRD has increased significantly with neighbours, the Province and businesses. This has a positive knock-on affect with Huu-ay-aht.

Alberni-Clayoquot Regional District – Emerging Issues

The only real emerging issue is potentially entering into an agreement with the ACRD to provide planning, zoning and other land-use services until we can ramp up our capacity. With the advent of an improved road to Bamfield, we will see an increasing need to contemplate rezoning, variances, temporary use permits and the like as our citizens and residents start building their work and their lives on our lands.

Climate Change – Progress Report

I am unsure as to the status of this file. There are items that have been moving forward – mostly grants that we were successful in achieving, but there isn't a committee convened at the moment.

Huumiis Ventures LP and HFN Forestry Consulting Services LP – Progress Report

Meetings were had with Paul Fripp from BDO regarding the Audit that will be upcoming. There will be a need for continued interface with WFP's finance staff to ensure that we can make this process less painful for HFN's holdings. In addition, we have engaged with Grant Thornton for more financial help regarding a more-sophisticated budget.

Huumiis Ventures LP and HFN Forestry Consulting Services LP – Emerging Issues

We need to have a discussion at Council about how HFN Forestry Consulting Services is going to be used moving forward. Some of the work being done there seems to bleed over into what's being done at the HFN end of things, and so on and so forth.

HFN Personnel Committee – Progress Report

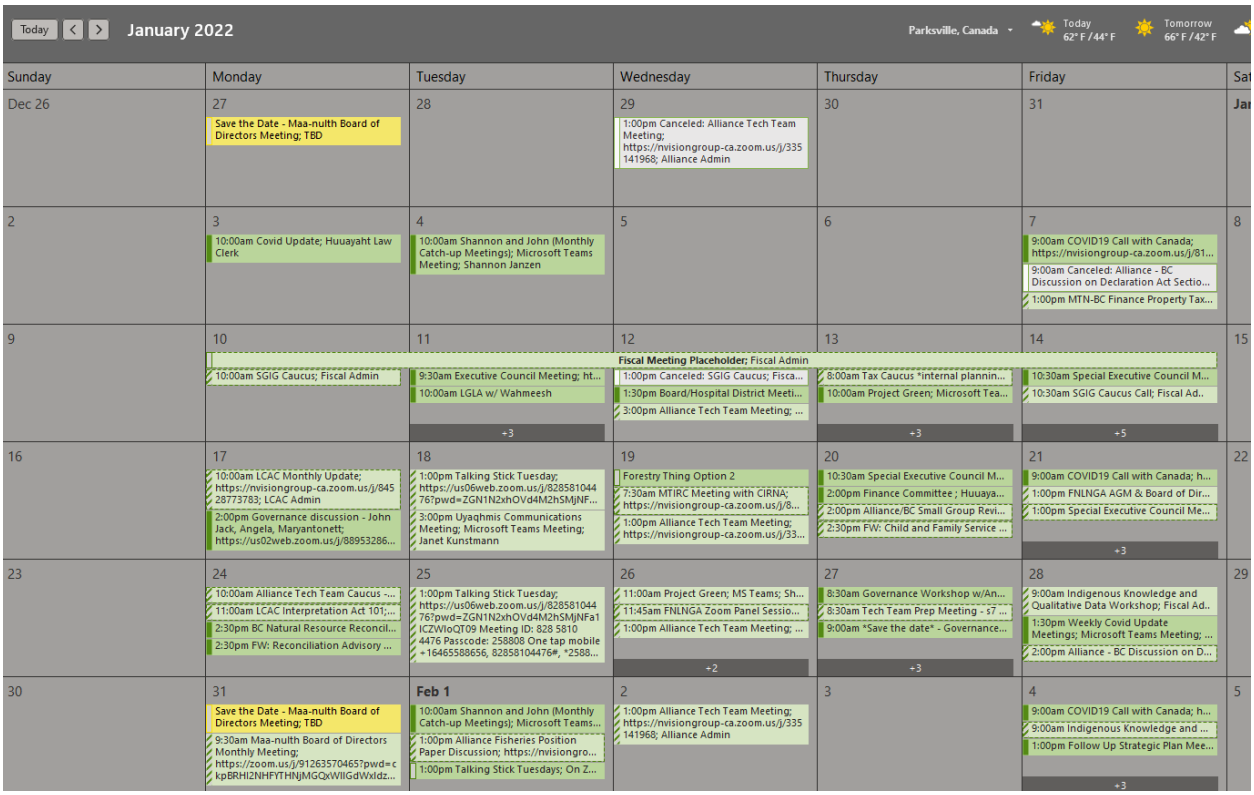

Finding a group or individual to facilitate an evaluation process for our Executive Director has been immensely difficult, I have had conversations with several prospects now and they have all passed on the option. I have been sent one more referral, and I'm following that up now. We have had many meetings in the past few months:

HFN Personnel Committee – Emerging Issues

We will need to appoint one more member to the committee in addition to myself and Councillor Johnson. Councillor Duane Nookemis has been attending meetings out of interest in an ex officio manner, and he's probably the best candidate to hit the ground running if appointed.

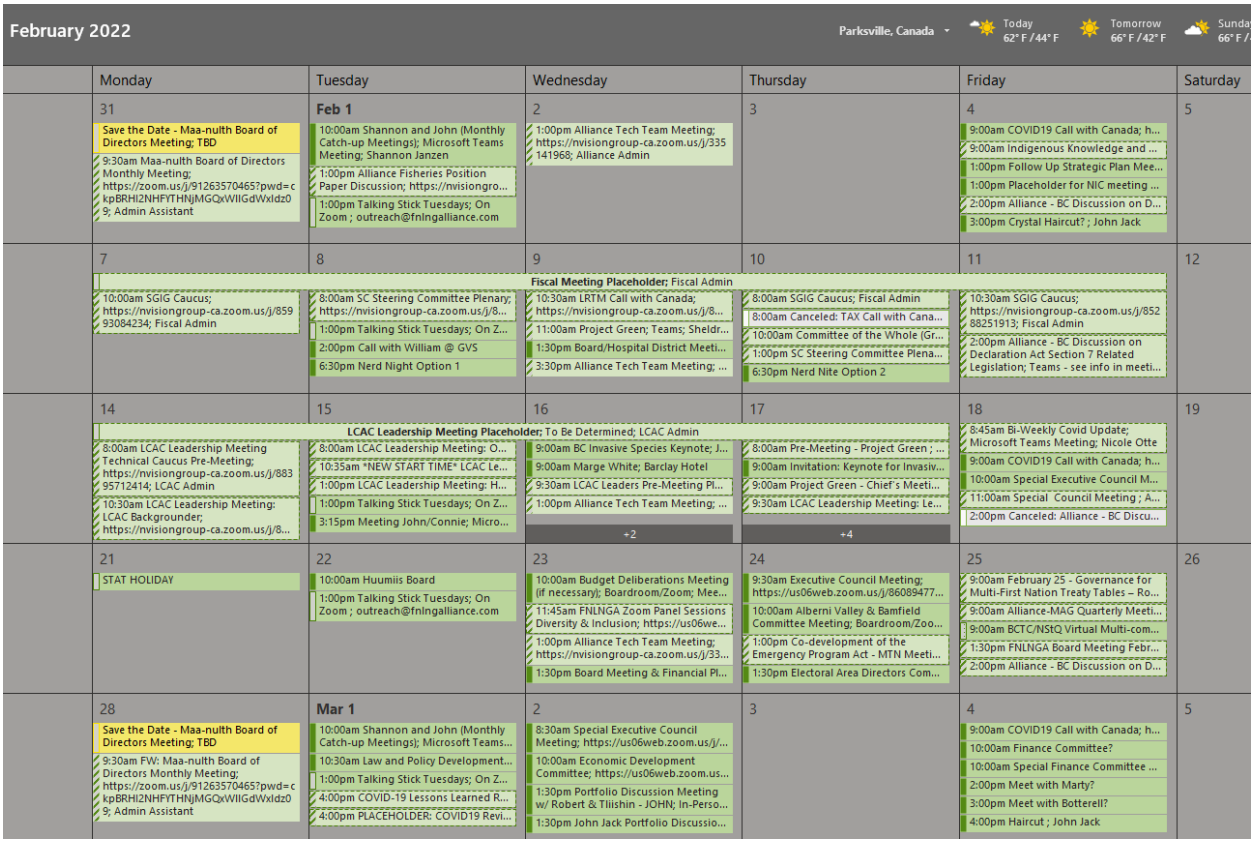

External Relations – Progress Report

We have had one meeting of the working group on external relations, and then a series of preparation meetings to get ready for a meeting with the DM John Hannaford (and the ADM whose name escapes me at the time of this report) for Hon Wilkinson the Minister of Natural Resources Canada. The H&K Team seems effective, and it will be good to get out there and start meeting with government folks in Ottawa and Victoria soon.
