ANCIENT SPIRIT, MODERN MIND

Public Notice
Dangerous Dog Designation

On November 30th, 2022, a dog belonging to Karen Robinson at the address of 145 (B) Nookemus Road was designated as a dangerous dog. This dog should always be wearing a muzzle and under the control of a person while in public spaces. This dog should not be approached, and if seen wandering, should be reported immediately. Applicable sections of the *Animal Control and Care Regulation, 2022* are listed below.

Animal Control and Care Regulation – Part 5 Dangerous Dogs

Keeping a dangerous dog (21)

1) The owner of a dangerous dog must ensure at all times that the dangerous dog is
   a) kept securely indoors or within a securely closed and locked enclosure, or
   b) wearing a muzzle and on a leash not longer than 2 meters held by a person who is able to control the dog at all times.

Removal of designation (23)

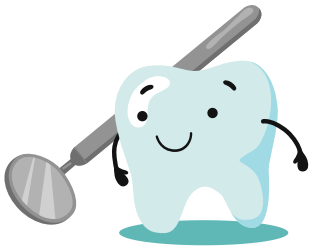

1) An owner may apply to the director to remove a dangerous dog designation if
   a) more than one year has passed since the designation,
   b) the dog has not previously had a dangerous dog designation removed under this regulation,
   c) since the designation, the owner and the dog have completed a humane training course, and
   d) since completion of the training course referred to in the previous paragraph, Huu-ay-aht has not received any further credible complaints of dangerous behavior by that dog.
2) The director may approve an application under subsection (1) if the director is satisfied that the dog no longer poses a threat to the safety of other animals or humans.

Do you know a successful citizen?

You can nominate them to be featured in an upcoming issue of the Uyaqḥmis.

Tell us about the citizen you would like to see featured. You can find the nomination form on our website: huuayaht.org/uyaqhmis/

BAMFIELD COMMUNITY SCHOOL ASSOCIATION

December 2022

Bamfield Community School Association Update

Bamfield Community School has welcomed 12 new kindergarten students, an awesome group of elementary kids, and (after advocacy and effort by community leaders) a growing group of high school youth!

The community at the school is developing, and we see a lot of great mentorship and friendship between the students.

This autumn, the kindergarten students and little ones ages 3-5 have been exploring the forest around the school together as part of Little Buddies Playtime on Fridays from 10am-12pm. Little munchkins have been learning about life cycles and local species, and are getting comfortable moving through the forest.

We were lucky to be visited by the Bamfield Volunteer Fire Department and ACRD Fire Safe reps in October, to learn about fire safety and what it takes to be a firefighter.

The BCSA After School Clubs and Friday Night Chill have been a blast this year. These programs offer age-appropriate opportunities for kids and youth to make crafts, play games, socialize and learn outside of school.

Announcements

The BCSA Aquaculture Program begins December 7th!

Join us at the BCS Holiday Concert at 5:30pm on December 13th for a heartwarming dose of holiday cheer.

Youth Basketball night and Little Buddies Playtime are now on hold until the new year.

Follow our Facebook page @Bamfield Community School Association for more information, and updates about our programs and events!

Bamfield Main Road Update

For the period of December 5 – December 11, 2022

There will be no access to Bamfield Main Road from 36km to 58 km. All traffic, both industrial and public, will be required to use the detour. Drivers should slow down and be prepared for industrial traffic throughout the detour area.

Drivers can expect single-lane traffic and delays at approximately three locations between Port Alberni and Bamfield, each with a minimum of 15 minutes delay. Both traffic control persons at stops and/or automated flagging devices with pilot cars will be utilized.

All travellers are required to use the detour, and those who attempt to bypass the detour will be turned back.

Please slow down and expect additional delays due to the changing weather conditions. Winter driving conditions should be expected, and all public drivers should check weather conditions before travelling and be prepared. Please avoid driving during extreme weather conditions.

Speed should not exceed 60 km per hour, and drivers are required to slow down when construction equipment, flaggers, and crews are on the road. The RCMP will be monitoring for safe driving throughout the project and detour.

Crews will continue to work on ditching, culvert replacement, and beam barriers.

https://huuayaht.org/bamfieldmainupdate

⚠ CAUTION

Drivers can expect to see an increase of industrial traffic throughout the public detour areas for the week of December 5 - December 11, 2022.

Please drive with extra caution and be prepared for winter driving conditions.

Remember chains for winter conditions.
