YOUR DOG IS DUE FOR A VACCINE, IF...

You have a puppy. Puppies require multiple vaccines when they are young to protect them from common illnesses they may get from other dogs or wildlife.

It's been more than 2 years since their last vaccine. Time for a booster!

Your dog has never had a vaccine before. Protect your dog from rabies and other common illnesses!

Even if your dog is up to date on their vaccinations, it is still recommended that they see the veterinarian for an annual exam to ensure they are happy and healthy

Make an appointment today.

Executive Council Summary

January 12, 2023

Executive Council held their first Council Meeting of the New Year. The meeting was called to order at 9 a.m. on January 12, 2023 via Zoom.

Huu-ay-aht Chief Financial Officer, Paul Rokeby-Thomas went over the November 2022 Financials, followed by Paul Fripp (BDO), who did a thorough presentation of the 2021/2022 draft Financial Audit. The Audit was approved by Council. The accumulated surplus approved for the year ended March 31, 2022 is $107,875,263.

The financial audit can be viewed at https://huuayaht.org/government/financial-reports/

Next, there was a discussion about the Paawats Daycare Centre in Anacla. Director of Capital & Infrastructure, Charlie Clappis presented a needs assessment for the current building. There was extensive discussion on this topic in favour that expansion and/or upgrades to the building are important, but it is also important to have more workers in the daycare.

It was discussed having opportunities for Huu-ay-aht citizens to become certified Early Child Education workers and Infant and Toddler Education workers,and also the need for housing for workers.

In result, Executive Council referred the assessment needs of Paawats Daycare Centre to the Citizen Development Committee to discuss further and then it will be brought back to Executive Council.

The following discussion was to have an increase in student supply allowance. Grades K - 5 to go from $50 to $75 and grades 6-12 to go from $100 to $125.

Executive Council approved the motion and it will be included in the 2023-2024 budget planning.

The increase will be in effect for the 2023 school year if approved in the budget act.

The meeting then went in-camera to discuss human resource issues and the HFN, BC, and Canada Tripartite Protocol regarding child and family services.

Please note: all Zoom recordings of the Executive Meetings will soon be available to view at **video.huuayaht.org**

The next Executive Council Meeting is on Thursday, January 26, 2023 at 10 a.m. at the Anacla Government Office.

Language Dinner

January 30, 2023 at 5 p.m. at the House of Huu-ay-aht

Join the Culture Team and members of the First Nations Education Foundation Team for dinner, followed by updates about the Language project!

The Huu-ay-aht Social Services Project Evaluation 2020 highlighted, “There is a keen interest by many in having more cultural events and programs, as well as better access to greater language and cultural education.”

Recovering, Collecting and Sharing Our Language is a project that will connect language speakers, storytellers and knowledge keepers with our partners from the First Nations Education Foundation to recover, collect and share our language.

The stories, songs, photos, language and history shared by Elders, Knowledge Keepers and citizens will made available to Huu-ay-aht people on a cloud-based platform; the information isn’t for the general public and user rights are established to maintain confidentiality.

January 31, 2023 – The First Nations Education Foundation Team will be at the House of Huu-ay-aht from **8:30 a.m. – 9:00 p.m.** to scan artifacts/photos and to record your stories!

If you have a craft that you would like to share, that can be recorded, as well!

Language Speakers, we invite you to narrate a story, cultural or protocols, demonstrate a skill/s in Nuu-chah-nulth. If you have something to share but aren’t comfortable using the language or don’t speak the language, what you have to share is important and the Nuu-chah-nulth language can be applied later by another speaker. Honorariums are available to recognize your contributions and participation.

For more information, or to request a particular time/location, please contact Shannon Zimmerman, Director of Child and Family Wellness at 250-723-0100 and look forward to a reminder phone call from Annette Ginger!

Bamfield Main Road Update

Please note that changes to the Bamfield Main Road detour route are now in effect. Drivers can expect to be detoured from Bamfield Main Road between 36 km and 49 km.

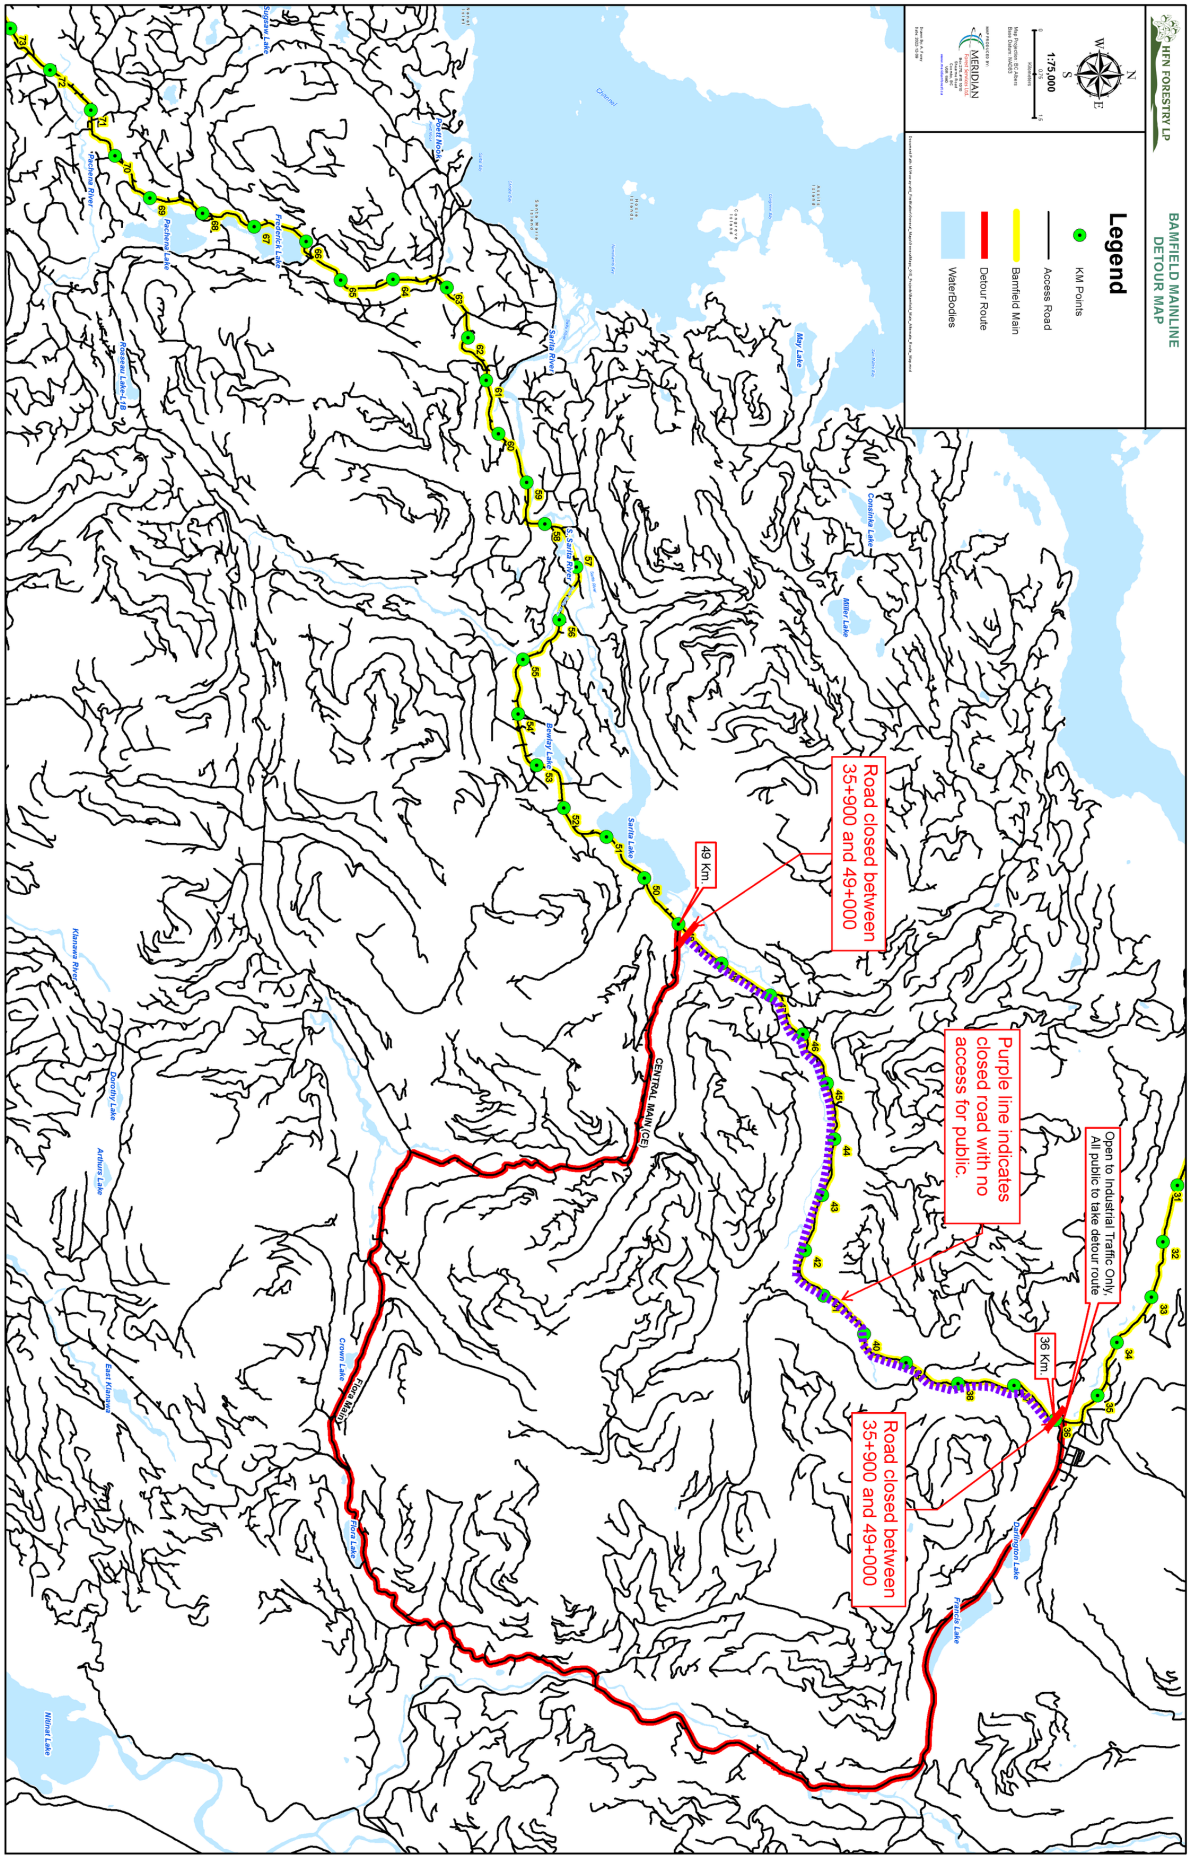

From January 9 – 13, 2023 drivers can expect single-lane traffic and delays at a minimum of four locations between Port Alberni and Bamfield, each with a maximum of a 15-minute delay. Both traffic control persons at stops and/or automated flagging devices with pilot cars will be utilized.

Public drivers should be utilizing the detour route and the construction zones remain closed. Please check for updates before you travel on our Facebook Page (https://www.facebook.com/HuuayahtFN)

Please slow down and expect additional delays due to the changing weather conditions. Winter driving conditions should be expected, and all public drivers should check weather conditions before travelling and be prepared. Please avoid driving during extreme weather conditions. Speed should not exceed 60 km per hour, and drivers are required to slow down in bad weather and when construction equipment, flaggers, and crews are on the road. The RCMP will be monitoring for safe driving throughout the project and detour.
