YOUR DOG IS DUE FOR A VACCINE, IF...

You have a puppy. Puppies require multiple vaccines when they are young to protect them from common illnesses they may get from other dogs or wildlife.

It's been more than 2 years since their last vaccine. Time for a booster!

Your dog has never had a vaccine before. Protect your dog from rabies and other common illnesses!

Even if your dog is up to date on their vaccinations, it is still recommended that they see the veterinarian for an annual exam to ensure they are happy and healthy

Make an appointment today.

Language Dinner

January 30, 2023 at 5 p.m. at the House of Huu-ay-aht

Join the Culture Team and members of the First Nations Education Foundation Team for dinner, followed by updates about the Language project!

The Huu-ay-aht Social Services Project Evaluation 2020 highlighted, “There is a keen interest by many in having more cultural events and programs, as well as better access to greater language and cultural education.”

Recovering, Collecting and Sharing Our Language is a project that will connect language speakers, storytellers and knowledge keepers with our partners from the First Nations Education Foundation to recover, collect and share our language.

The stories, songs, photos, language and history shared by Elders, Knowledge Keepers and citizens will made available to Huu-ay-aht people on a cloud-based platform; the information isn’t for the general public and user rights are established to maintain confidentiality.

January 31, 2023 – The First Nations Education Foundation Team will be at the **Anacla Government Office in the Council Chambers** from **8:30 a.m. – 9:00 p.m.** to scan artifacts/photos and to record your stories! **An Elders Circle will be from 10 a.m. - 12 p.m. and lunch will be served.**

If you have a craft that you would like to share, that can be recorded, as well!

Language Speakers, we invite you to narrate a story, cultural or protocols, demonstrate a skill/s in Nuu-chah-nulth. If you have something to share but aren’t comfortable using the language or don’t speak the language, what you have to share is important and the Nuu-chah-nulth language can be applied later by another speaker. **Honorariums are available to recognize your contributions and participation.**

For more information, or to request a particular time/location, please contact Shannon Zimmerman, Director of Child and Family Wellness at 250-723-0100 and look forward to a reminder phone call from Annette Ginger!
