Friendly Reminder to stop your vehicle when the school bus lights are flashing

School Bus safety for drivers and students

Please slow down when you see the flashing yellow lights on a school bus and STOP when you see the flashing red lights

When overhead lights are flashing yellow on a school bus, that means a driver should prepare to stop.

Once the red lights stop flashing and the yellow hazard lights turn on, drivers can move forward.

The extended stop arm is a second indicator that you must stop and not pass the bus from behind or in the oncoming lane.

Please keep in mind everyone is responsible for school bus safety, as drivers we must obey the rules of the road. Keep in mind the safety of our children.

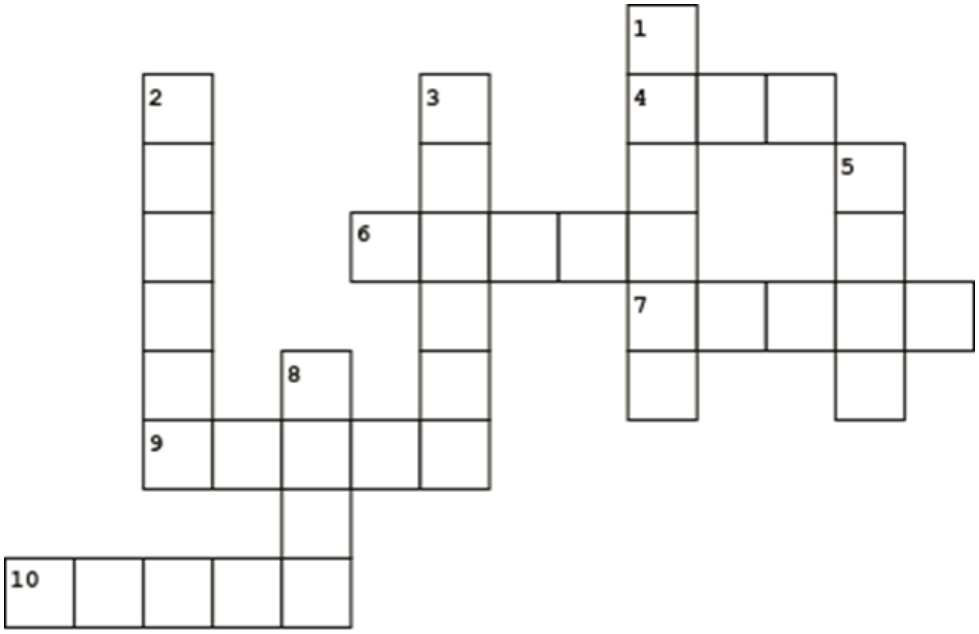

- When you see a school bus stopped with its red lights flashing, you must also stop.
- You stop whether the bus is oncoming or you are behind the bus.
- When you see a bus with flashing amber lights, slow down and prepare to stop.
- The bus is preparing to stop or may already be stopped.
- Stay stopped until the bus moves on, or the driver signals that it is safe for you to proceed, by turning off the flashing lights. (Some buses also have a stop sign that swings out from the bus.)

NEW POLICY FOR MAINTENANCE REQUESTS

Huu-ay-aht First Nations is changing its procedure for reporting the need for repairs in its rental units, elder houses, and government buildings. We ask that citizens follow this new procedure to help us serve you more efficiently.

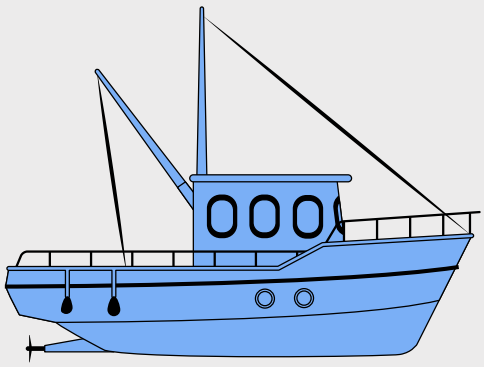

Here's how it works...

huu ay aht

ANCIENT SPIRIT, MODERN MIND

- Call the Anacla or Port Alberni Government offices at 250-728-3414 or 250-723-0100
- Tell reception which building is in need of repairs
- Explain the issue you are having to reception
- They will fill out a maintenance request form
- The maintenance team will work on these requests in the order in which they were received
- Please be patient, and if you have any questions call one of the offices for an update

If you fail, never give up
because F.A.I.L means,
"First Attempt In Learning".
End is not the end, in fact E.N.D means,
Effort Never Dies".
If you get no as an answer, remember N.O means,
"Next Opportunity".
So let's be positive.
