# Notices & Updates

## Important - Anacla Residents

It has been noticed that Citizens and Community members have been entering the HFN Woodlot without notice. HFN Woodlot operates the Elders Firewood Program, and there is machinery operating in the lot. Having people enter without notice is a safety issue. We ask the community to not enter the woodlot where the program is ran.

**IMPORTANT – RESIDENTS OF ANACLA**
**A reminder of the importance of reporting ALL incidents of wrongdoings or criminal behaviours to the RCMP.**

**Why is this important?**

1. **The more reports that are received, the more resources will be provided.**
2. **If no one reports any incidents, the RCMP are of the belief that nothing is happening in the Community.**
3. **If you're the witness it's important that you report the incident to the RCMP. This provides stronger evidence, rather than only reporting it to the Huu-ay-aht Government.**

**Non-emergency line: 250-723-2424**
**for emergencies call 9-1-1**

# Awakening the Spirit

This ceremony happens when taking the canoe out on the water after the long winter months.

*May this Colouring Journal awaken your spirit on your journey!*
