Attention Fishers!

Sockeye season has begun and Huu-ay-aht First Nation government want to remind everyone of the requirements for fishing in our ḥahuułi

- **You must have a current harvest card with Huu-ay-aht (available at either office)**
- **If you are gillnetting, you must hail in and out to the Huu-ay-aht Fisheries Manager (Amelia Vos – contact below)**
- **You must report all catch to Huu-ay-aht Fisheries Manager (Amelia Vos)**
- **You must fish within our Maa-nulth Domestic Fishing Area (Barkley Sound)**

IMPORTANT **it is illegal under Huu-ay-aht Law to sell fish! – those observed selling fish will lose HFN harvest privileges and risk penalization from Fisheries and Oceans Canada**

Please Note: Sockeye Fishing was closed for all fishers from Tuesday, July 25 to Friday, July 28, to allow Somass and Henderson Sockeye to get up the Rivers. This was agreed upon by all Area 23 Nations and Commercial Fishermen after the high in-river mortality rate and low escapement last week. This temporary closure **may be** extended past Friday, July 28. Please check Huu-ay-aht's Social Media or contact Amelia Vos for an update before fishing.

HFN is dedicated to supporting citizen access to our fisheries resources. If you need assistance with harvest cards, or protocols call, text, or email Amelia Vos, HFN Lands & Natural Resource Operations Manager: Office - 250-728-3414 ext 106, cell - 250-266-5335 (text or call), amelia.v@huuayaht.org
