Re: Public Notice – Removal of Dangerous Dog Designation

On October 6th, 2022, a dog belonging to Jacqualine Dennis was designated as a dangerous dog. According to Part 5, Section 23 of HFN's *Animal Control and Care Regulation*,

1) An owner may apply to the director to remove a dangerous dog designation if
   a) more than one year has passed since the designation,
   b) the dog has not previously had a dangerous dog designation removed under this regulation,
   c) since the designation, the owner and the dog have completed a humane training course, and
   d) since completion of the training course referred to in the previous paragraph, Huu-ay-aht has not received any further credible complaints of dangerous behavior by that dog.
2) The director may approve an application under subsection (1) if the director is satisfied that the dog no longer poses a threat to the safety of other animals or humans.

As of December 15, 2023, all the requirements listed above have been met. The Lands & Natural Resources Department has approved the application for the removal of the dangerous dog designation for the dog "Bebe".

All pets on Treaty Settlement Lands are still required to be cared for in a way that meets the requirements of HFN's Animal Control and Care Regulation. This document can be found online at https://huuayaht.org/wp-content/uploads/2022/04/Animal-Control-and-Care-Regulation-02136392.pdf or in either Huu-ay-aht Government Office.

Re: People's Assembly, Debt Payment, and Distribution

Throughout the past few weeks, there have been comments and posts on the HFN Facebook page related to the process of People's Assembly attendance, travel support, and settlement distribution.

Huu-ay-aht First Nations Hawiih and Executive Council are committed to providing support to citizens to attend Huu-ay-aht functions so that everyone can contribute to bringing success to the Nation. This support is done by providing travel and accommodation to citizens participating in functions such as our People's Assembly.

People's Assembly Attendance

For assurance on budgeting and planning, HFN requires a pre-registration process to prepare for all the requests and book appropriate travel requirements and accommodation. During online pre-registration, citizens are requested to check the box that citizens have read the "*2017, Huu-ay-aht Attendance at the People's Assembly Policy".* It is the citizen's responsibility to understand and read the policy. The policy outlines obligations to attend the full People's Assembly (voting sessions) and requirements for travel and accommodation. The HFN Government defines 'voting sessions' as the whole day(s) of the People's Assembly.

Sections 3 and 4 of the policy; "Requirements *to Attend Voting Sessions* and *Failure to Attend Voting Sessions",* outline the requirements and accountabilities of attendance. Along with the policy commitment, Hawiih, and Executive Council ask in return from Huu-ay-aht citizens that they fully participate throughout the People's Assembly, by attending the assembly and upholding our guiding principles of *ʔiisaak, hišuk ma c'awak, and ʔuuʔałuk* and as per the *2018 Huu-ay-aht Alcohol Policy,* all HFN functions and events are alcohol & drug-free.

When there is a breach of the policy, Section 5 of the *People's Assembly Attendance Policy, "Effect of debt owing"*, outlines the debt process and collection. Before identifying a potential debt, each hotel establishment is required to submit invoices outlining any room damage (with evidence), and disruptions, and identifying who checked in and out of the room. These invoices are cross-referenced with attendance records kept when citizens register on the day of the People's Assembly.

Office: Anacla Government Office, 170 Nookemus Road, Anacla, B.C., V0R 1B0
Phone: 1.888.644.4555 | 250.728.3414 | Fax: 250.728.1222
Mail: Port Alberni Government Office, 4644 Adelaide Street, Port Alberni, B.C., V9Y 6N4 | Phone: 250.723.0100 | Fax: 250.723.4646

Registration is utilized to ensure we can proceed with a quorum at our People's Assembly or adjust if we do not have a quorum. Registration is also utilized to capture names of citizens present at the People's Assembly for all voting purposes and attendance. This year the Government decided to try our new voting tool, clickers, these clickers are a tool and a mechanism used to cast votes not to take attendance.

People's Assembly Travel Support

As per the "*2017, Huu-ay-aht Attendance at the People's Assembly Policy",* HFN provides travel support through ferry cards, gas cards, reimbursement of travel costs, and accommodation.

Travel cards such as ferry cards and gas cards are purchased and loaded weeks before the Assembly, the HFN administration works diligently to ensure that these cards have the appropriate funds loaded.

Port Alberni is a central point for many Nuu-chah-nulth Nations and because of this, we must provide names and numbers of citizens to all hotels we are partnering with. To do this, it is essential to pre-register, so we have an accurate number of rooms set aside. We cannot book rooms on the day of the Assembly due to the price set by the hotels and because there is no guarantee a room will be available. Citizens do have the option of booking their room and getting reimbursed.

Accommodation is a two-way commitment, HFN commits to funding the room, but it is the citizens who must respect the hotel's policy, regulations, and requirements. The commitment is to leave the room in good condition, respect everyone else in the hotel, and not disturb others.

Settlement Distribution

At this year's People's Assembly, there was an 'in-camera' item related to a Specific Claim. Due to the nature of the item, HFN could not go public about the settlement. So, no documents could be shared with citizens in advance or at the meeting. What was conducted was a PowerPoint outlining the settlement and the proposed usage of the settlement. On behalf of the HFN Government, I do ask that we not publicly post about this settlement and its value as it does breach the in-camera agreement.

Regarding HFN Distributions, for all distributions, the HFN Administration is to follow the *"2018 Huu-ay-aht First Nations Distribution Administration Policies",* which provides direction on citizen distributions. Under Part 3, *Entitlement to payment of distribution shares*, subsection 3.3 – (b), Payment of Debt to the Huu-ay-aht First Nations…" the Director must withhold the Distribution Shares of a Citizen with an unpaid Debt to the Huu-ay-aht First Nations….".

All Huu-ay-aht laws, regulations, and policies can be found on our webpage at Legislation – Huu-ay-aht (huuayaht.org).

ANCIENT SPIRIT, MODERN MIND

HFN Government has zero tolerance for harassment and racism. The Government is committed to a healthy and safe environment for everyone. HFN administration staff work diligently and long hours to ensure HFN has a successful People's Assembly. To support Huu-ay-aht citizens who are employees, we work to ensure they can participate as citizens at the Assembly and not as an employees. We ask everyone to be respectful and refrain from using words that are degrading and can be deemed racist.

Yes, there is always room for improvement in planning, processes, and policies. Many of these can be changed or altered. We would love to hear from you as citizens on how we can make changes to ensure stronger communication and provide for a productive People's Assembly. Please send any suggestions to the Executive Director, Karen Haugen, at executivedirector@huuayaht.org.

Our obligation is to aid and support all citizens, we do this by committing to a strong financial budgeting to support citizens in many ways from education, patient travel, crisis grants, medical & and dental support, and other essential services. We ask that citizens commit to following all policies and respecting the obligation to adhere to the support that is provided.

Only together can we ensure a healthy and safe environment and 'Steer our Canoe in the right direction".

Sincerely,

John Jack

To: Huu-ay-aht Citizens

RE: Open Burning Restriction Notice

Open burning restrictions are now in effect. As highlighted below, both Open Fires category A & B are closed as of November 15. Open burning will resume in March 2024. Campfires are currently permitted (see definition below for more information). Huu-ay-aht First Nations follows the provincial and regional burning bylaws, which can be referenced on the Alberni-Clayoquot Regional District website under Bylaw NO. R1032.

"Category A Open Fires and Category B Open Fires are permitted only: i. when the ventilation index is rated as 'good,' as reported by Environment Canada's Ventilation Index; ii. between March 1 and April 30 inclusive and between September 15 and November 15 inclusive, unless otherwise prohibited by the Province."

Important: it is unlawful and dangerous to our lands and people to burn prohibited materials within our Treaty Settlement Lands (TSL) Hahuuli; this includes garbage, plastics, demolition waste, treated wood, construction waste, furniture, and appliances, etc. (See definition below for a complete list of prohibited burning material).

For more information contact Amelia Vos – Lands & Natural Resources Operations Manager 250-728-3414, email: amelia.v@huuayaht.org

EARTHQUAKE

TSUNAMI WARNING

GO TO HIGHER GROUND, STAY THERE

If Tsunami Warning Alarm sounds, make your way to the House of Huu-ay-aht in upper Anacla

BE PREPARED

COLD WEATHER

Stay Warm & Dry

- Dress in **layers**, with a wind resistant outer layer.
- When it is cold, **wear a hat**, mittens or insulated gloves. Keep your face warm with a scarf, neck tube or facemask.
- Wear warm and waterproof footwear. When it is very cold, or when the wind chill is significant, cover as much exposed skin as possible. Your body's extremities, such as the ears, nose, fingers and toes lose heat the fastest.
- Wet clothing chills the body rapidly.
- Remove outer layers of clothing or open your coat if you are sweating.
- Seek Shelter, limit time outside
- **Remember your pets**, limit time outside, bundle up, and shorten walks, do not leave in vehicles.

Be Aware

- Watch for signs of frostbite and hypothermia (See Below).
- Some people are more susceptible to the cold, particularly children, the elderly and those with circulation problems.
- Check on elderly relatives and neighbours to ensure they are warm enough and have sufficient supplies, particularly when the weather is cold or snowy. They might not feel comfortable going outside to shop and may require food, medications and other supplies.
- The use of alcohol, tobacco and certain medications will increase your susceptibility to cold.

Frostbite

- A more severe condition, where both the skin and the underlying tissue (fat, muscle, bone) are frozen.
- Skin appears white and waxy and is hard to the touch.
- No sensation - the area is numb or tingling.

What to do:

- Frostbite can be serious, and can result in amputation. Get medical help!
- Do not rub or massage the area.
- Do not warm the area until you can ensure it will stay warm.
- Warm the area gradually; use body heat, or warm water (40°C to 42°C). Avoid direct heat which can burn the skin.

Hypothermia

- Being cold over a prolonged period of time can cause a drop in body temperature
- Shivering, confusion and loss of muscular control (e.g., difficulty walking) can occur.
- It can progress to a life-threatening condition where shivering stops or the person loses consciousness. Cardiac arrest may occur.

What to do:

- Get medical attention immediately.
- Lay the person down and avoid rough handling, particularly if the person is unconscious.
- Get the person indoors.
- Gently remove wet clothing.
- Warm the person gradually and slowly, using available sources of heat (Blankets, warm drink).

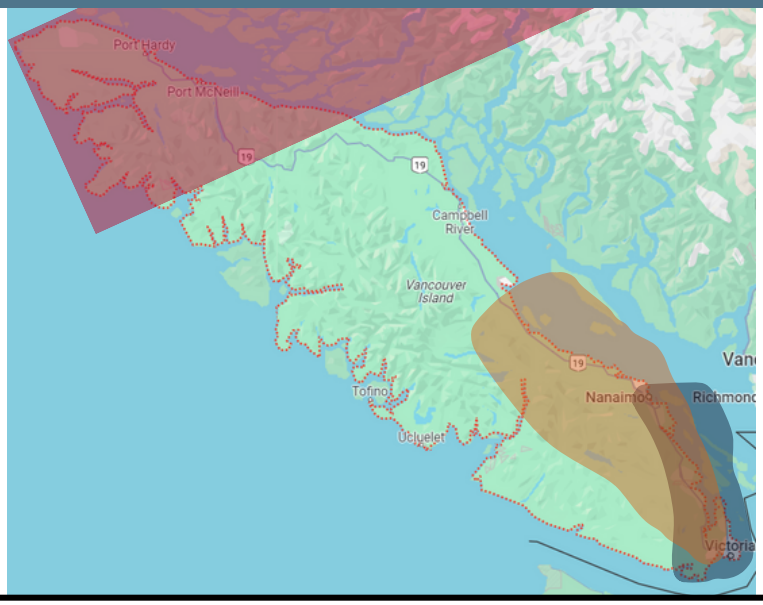

Weather Alert as of Thursday, January 11 for Vancouver Island and surrounding areas

North Vancouver Island: Affected area

East Vancouver Island: Affected area

Greater Victoria and Mainland: Affected area

All information is provided from Government of Canada

The first Arctic intrusion of the year is on the horizon.

When: Tonight to Saturday afternoon.
Where: Metro Vancouver, Greater Victoria, Fraser Valley and Southern Gulf Islands
Hazard: Risk of frostbite and hypothermia.
Wind chill value: Minus 20.
Remarks: Arctic air combined with strong outflow winds gusting to 60 km/h will generate wind chill values of minus 20 beginning on Thursday night. Wind chill values may moderate on Saturday afternoon but uncertainty remains on the timing of the warm-up. Frostbite and hypothermia can occur within minutes if adequate precautions are not taken when outdoors. Any skin exposure will result in frostbite. If outside, dress warmly in layers and stay dry. Cover as much exposed skin as possible to avoid frostbite.

Strong outflow winds and cold wind chill values are expected.

When: Until at least the end of the week.
Where: North and Central Coasts, Haida Gwaii, North Vancouver Island.
Hazard: Risk of frostbite and hypothermia.
Wind chill value: Minus 20 to Minus 30.
Remarks: Arctic air combined with strong outflow winds will generate wind chill values of minus 20 to minus 30 across the coastal and inland sections of the north and central coast. Haida Gwaii and North Vancouver Island can also expect wind chills near minus 20 tonight. Wind chill values may moderate this weekend but uncertainty remains on the timing of the warm-up. Frostbite and hypothermia can occur within minutes if adequate precautions are not taken when outdoors. Ensure that shelter is provided for pets and outdoor animals.

Potential for significant snowfall associated with a low pressure centre and an approaching arctic front.

When: Late this afternoon through Friday.
Where: East Vancouver Island- from Duncan to Fanny Bay and Malahat Highway - Goldstream to Mill Bay.
Hazard: Heavy snow can be very localized. Quickly accumulated snow and reduced visibilities could result in sudden change of driving conditions.
Remarks: There is potential for significant snowfall for parts of East Vancouver Island. The snow is forecast to develop later this afternoon over Malahat Highway and Duncan area. The band of snow is expected to move north and stall over Nanaimo area tonight and could continue over Fanny Bay area on Friday. Snow could potentially impact the evening commute tonight and morning commute on Friday. There is still uncertainty regarding expected snowfall amounts and exact locations that will be affected. Be prepared for unusually cold temperatures and strong winds. Please continue to monitor alerts and forecasts issued by Environment Canada. To report severe weather, send an email to BCstorm@ec.gc.ca or tweet reports using #BCStorm.
