ANACLA EVENTS

Reporting wrongdoings and criminal behaviours must be made to the RCMP. Huu-ay-aht receives a monthly incident report from the RCMP.

It is important that if you experience or witness a crime, to report it. It will show that more services are needing in our community.

Non-emergency Line:
250-723-2424
Emergencies:
9-1-1

Anacla

Child and Family Wellness

will be in community every Tuesday from 10 a.m. to 2 p.m.

HUU-AY-AHT GATHERINGS

SUNDAY
JANUARY 28, 2024

2:30 - 4:30 P.M.

CANCELLED

Warriors Program

Warriors will be held Monday nights from 4:30 – 7:30 P.M. in Anacla.

Please give Leonard Nookemis, Community Coordinator, a call at 250-918-4256 if you have any questions!

Need to update your Status Card?

Email Coraleah Bauer at lawclerk@huuayaht.org or Alexis Young at alexis.y@huuayaht.org, or phone the Port Alberni Office at 250-723-0100 and ask for one of them to book an appointment.

Must have a valid piece of ID for the appointment

Introducing Maʔas taqimł Housing Society

Aaron Enns

To connect with Tiana Peters, Tenant Relations Officer, call 250-720-6740 or email housingcoordinator@huuayaht.org

Maʔas taqimł
Huu-ay-aht First Nations Housing Authority

Huu-ay-aht Housing Authority Survey Questions

Huu-ay-aht Housing Authority has recently been made aware of an opportunity that could offer tenants upgrades on three vital aspects of their unit and quality of life: heat pumps, windows, and attic insulation. These three keep homes warm in winter and cooler in the summer. Before we can see if we are eligible, we, the Housing Authority, are curious for your input.

In order from most to least, which is most important to you to have replaced?

- ☐ Windows
- ☐ Attic Insulation
- ☐ Heat Pump
  (This would replace the need for baseboard heating)

To make repairs or upgrades, would you be okay with leaving your unit for 1-4 hours to have the work done?

- ☐ Yes
- ☐ No

Considering Cost and environmental impact: How important is energy consumption for you as a tenant?

- ☐ Very High Importance
- ☐ High Importance
- ☐ Neither High nor low
- ☐ Low Importance
- ☐ Very Low Importance

Do any of the occupants in your household have respiratory issues such as Asthma?

- ☐ Yes
- ☐ No

If you are currently a tenant, what unit are you located in? (e.g. 143 Nookemus Road, Anacla, BC V0R 1B0)

Please return this to the Housing Office at
143 Nookemus Road, Anacla BC
Digital survey can be found by scanning QR Code.

Re: Public Notice – Removal of Dangerous Dog Designation

On October 6th, 2022, a dog belonging to Jacqualine Dennis was designated as a dangerous dog. According to Part 5, Section 23 of HFN's *Animal Control and Care Regulation*,

1) An owner may apply to the director to remove a dangerous dog designation if
   a) more than one year has passed since the designation,
   b) the dog has not previously had a dangerous dog designation removed under this regulation,
   c) since the designation, the owner and the dog have completed a humane training course, and
   d) since completion of the training course referred to in the previous paragraph, Huu-ay-aht has not received any further credible complaints of dangerous behavior by that dog.
2) The director may approve an application under subsection (1) if the director is satisfied that the dog no longer poses a threat to the safety of other animals or humans.

As of December 15, 2023, all the requirements listed above have been met. The Lands & Natural Resources Department has approved the application for the removal of the dangerous dog designation for the dog "Bebe".

All pets on Treaty Settlement Lands are still required to be cared for in a way that meets the requirements of HFN's Animal Control and Care Regulation. This document can be found online at https://huuayaht.org/wp-content/uploads/2022/04/Animal-Control-and-Care-Regulation-02136392.pdf or in either Huu-ay-aht Government Office.

Sincerely,

Director of Lands & Natural Resources

Rita Johnson; Director
Lands and Natural Resources
Huu-ay-aht First Nations

ANCIENT SPIRIT, MODERN MIND

Ensure your address and contact information are updated!
We do not want you to miss out.

To update this information, please fill out the form on our website or contact Jordan Young, Records Clerk, at jordan.y@huuayaht.org or 250-723-0100

BE PREPARED

COLD WEATHER

Stay Warm & Dry

- Dress in **layers**, with a wind resistant outer layer.
- When it is cold, **wear a hat**, mittens or insulated gloves. Keep your face warm with a scarf, neck tube or facemask.
- Wear warm and waterproof footwear. When it is very cold, or when the wind chill is significant, cover as much exposed skin as possible. Your body's extremities, such as the ears, nose, fingers and toes lose heat the fastest.
- Wet clothing chills the body rapidly.
- Remove outer layers of clothing or open your coat if you are sweating.
- Seek Shelter, limit time outside
- **Remember your pets**, limit time outside, bundle up, and shorten walks, do not leave in vehicles.

Be Aware

- Watch for signs of frostbite and hypothermia (See Below).
- Some people are more susceptible to the cold, particularly children, the elderly and those with circulation problems.
- Check on elderly relatives and neighbours to ensure they are warm enough and have sufficient supplies, particularly when the weather is cold or snowy. They might not feel comfortable going outside to shop and may require food, medications and other supplies.
- The use of alcohol, tobacco and certain medications will increase your susceptibility to cold.

Frostbite

- A more severe condition, where both the skin and the underlying tissue (fat, muscle, bone) are frozen.
- Skin appears white and waxy and is hard to the touch.
- No sensation - the area is numb or tingling.

What to do:

- Frostbite can be serious, and can result in amputation. Get medical help!
- Do not rub or massage the area.
- Do not warm the area until you can ensure it will stay warm.
- Warm the area gradually; use body heat, or warm water (40°C to 42°C). Avoid direct heat which can burn the skin.

Hypothermia

- Being cold over a prolonged period of time can cause a drop in body temperature
- Shivering, confusion and loss of muscular control (e.g., difficulty walking) can occur.
- It can progress to a life-threatening condition where shivering stops or the person loses consciousness. Cardiac arrest may occur.

What to do:

- Get medical attention immediately.
- Lay the person down and avoid rough handling, particularly if the person is unconscious.
- Get the person indoors.
- Gently remove wet clothing.
- Warm the person gradually and slowly, using available sources of heat (Blankets, warm drink).

2024 payment schedule

January 17, 2024 (for February 2024)
February 14, 2024 (for March 2024)
March 20, 2024 (for April 2024)
April 17, 2024 (for May 2024)
May 15, 2024 (for June 2024)
June 19, 2024 (for July 2024)
July 17, 2024 (for August 2024)
August 21, 2024 (for September 2024)
September 18, 2024 (for October 2024)
October 23, 2024 (for November 2024)
November 20, 2024 (for December 2024)
December 18, 2024 (for January 2025)
