Bamfield Dance Team: A Silver Lining in their Dance Journey at the Nanaimo Dance Festival

This year, a new dance team was created at Bamfield Community School under the guidance of primary teacher Laura Schmitt. The Bamfield Dance Team, formed just this year, embarked on a journey to the Shine Dance Festival in Nanaimo. With only one routine under their belt and 4 new dancers (Aubree, Azalea, Mariah and Georgia), their debut performance was a powerful testament to their unwavering dedication, hard work, and commitment to the art of dance.

Heading to the Shine Dance Festival marked a significant milestone for the Bamfield Dance Team. It was an opportunity to showcase their talent and potential on a larger stage and gain valuable experience and feedback from industry professionals and fellow dancers. While their journey had just begun, the team approached the festival with excitement, anticipation, and a touch of nerves, eager to share their passion for dance with a broader audience.

For the four members of the Bamfield Dance Team, the journey to the Shine Dance Festival was a whirlwind of practicing technique, choreography, and performing for an audience. With only one routine in their repertoire, every detail, from choreography to costume design, was planned and perfected. Despite the challenges of being a new team, they embraced the journey with a sense of unity, supporting one another at every step.

As they took to the stage at the Shine Dance Festival, the members of the Bamfield Dance Team felt a mix of nerves and excitement wash over them. It was their first time performing in front of such a large audience, making the experience both exhilarating and nerve-wracking. Yet, as the music began to play and they moved as one, any apprehension melted away, and the girls began to enjoy performing!

In the end, the debut performance of the Bamfield Dance Team at the Shine Dance Festival was a huge success, resulting in a silver medal for the girls. While they may have been a new team with only one routine, their passion, talent, and dedication shone brightly on the festival stage, leaving a lasting impression on all who witnessed their performance. As they celebrate their achievements and look ahead to the future, the Bamfield Dance Team knows that their journey has only just begun, filled with endless possibilities and opportunities for growth and exploration in dance.
