The Witwak/ Footprints security team's main role is to deter criminal activity and be part of keeping our community safe. What this means is, they do patrols to protect lands & properties, monitor surveillance cameras and alarms, and when there are urgent and criminal matters, they report them to the RCMP. They do not have the ability or power to remove people from HFN TSL or detain them. We all play a role in keeping our community safe, it is critical that if you have a criminal matter such as assault you call the RCMP immediately.
