What is their role?

The Witwak/Footprints security team's primary role is to deter criminal activity, keep our community safe, and monitor the private sites at the campground. This means they conduct patrols to protect lands and properties, monitor surveillance cameras and alarms, and report urgent and criminal matters to the RCMP. They do not have the authority to remove people from HFN TSL or detain them. We all play a role in keeping our community safe. It is critical for issues involving a criminal nature, such as physical or sexual assault, including drinking and driving, please contact the RCMP immediately.

Non-emergency: 250-723-2424 or in an emergency, call 9-1-1.
